

# 2016 COMMUNITY INVESTMENT HIGHLIGHTS

## KAISER PERMANENTE GREATER SOUTHERN ALAMEDA COUNTY

Serving Communities Surrounding our Fremont and San Leandro Medical Facilities

**Our investments help people have better, healthier lives. Here is just one example:**

“I’ve visited other career days at hospitals, and they’re usually just walkthroughs. But what’s so different about Youth Career Day at the Garfield Innovation Center is that the kids get to actually dive into health care practices and experience it for themselves. You can’t get that anywhere else.”

– Sue Anderson, who teaches a Medical Careers class at Castro Valley High School.
