

2016 COMMUNITY INVESTMENT HIGHLIGHTS

KAISER PERMANENTE DIABLO

Serving Communities Surrounding our Antioch and Walnut Creek Medical Facilities

Our investments help people have better, healthier lives. Here is just one example:

“This initiative has allowed us to bring together many resources for one common goal: to promote healthy eating and active living in the Monument area of Concord. The takeaways we have learned from this collaboration will serve our community for many years to come.”

- A local community leader, about Kaiser Permanente’s three-year, \$10 million HEAL (Healthy Eating Active Living) work, designed to combat obesity by giving more people in underserved communities access to healthy food and fitness options.
