

2016 COMMUNITY INVESTMENT HIGHLIGHTS

KAISER PERMANENTE EAST BAY

Serving Communities Surrounding our Oakland and Richmond Medical Facilities

Our investments help people have better, healthier lives. Here is just one example:

“Once I got my voice back, I promised I would never take it for granted. I want to help the youth who are discouraged to go to college. There is a way to a college education.”

– Arthur Renowitzky, gun-shot victim who was told he’d never walk or talk again, about his experience with Oakland Promise, a cradle to career program supported by Kaiser Permanente. The program is expanding opportunities for every child born in Oakland.
