

2016 COMMUNITY INVESTMENT HIGHLIGHTS

KAISER PERMANENTE GREATER SAN FRANCISCO

Serving Communities Surrounding our San Francisco and South San Francisco Medical Facilities

Our investments help people have better, healthier lives. Here is just one example:

The Bayview HEAL Zone's young Food Guardians from the neighborhood have transformed five corner stores that previously sold primarily alcohol, cigarettes and candy into mini food markets featuring fresh produce. This pilot project expanded to the Tenderloin and central city, and prompted a city ordinance called Healthy Retail SF that incentivizes corner stores to switch to healthier food options.
