

2016 COMMUNITY INVESTMENT HIGHLIGHTS

KAISER PERMANENTE MARIN SONOMA

Serving Communities Surrounding our San Rafael and Santa Rosa Medical Facilities

Our investments help people have better, healthier lives. Here is just one example:

“Some students have gone on to work in medical offices while they’re in college, and to help pay their way for college. For some, it’s an entry into a health profession that they go on to get health certifications at higher levels. There’s a lot of possibilities — as well as going off to nursing and medical school.”

– Ken Lippi, assistant superintendent with the Marin County Office of Education about the Regional Occupation Program’s medical assisting program, a partnership supported by Kaiser Permanente.
