

2016 COMMUNITY INVESTMENT HIGHLIGHTS

KAISER PERMANENTE PENINSULA AND SOUTHBAY

Serving Communities Surrounding our Redwood City, Santa Clara, and San Jose Medical Facilities

Our investments help people have better, healthier lives. Here is just one example:

“Catering to the needs of low-income populations is the specialty of School Health Clinics of Santa Clara County. Although the clinics are located on school grounds they are open to all low-income patients, children and adults, in Santa Clara County.”

- Stephanie Kleinheinz, CEO, RN, MSN, FNP-c., about Kaiser Permanente's support that helps create a gateway to treatment for a population in dire need of access to health care.
