

Serving communities around our Antioch and Walnut Creek medical facilities.

Community Health Priorities

Access to Care and Coverage

High quality, culturally and linguistically appropriate health services in coordinated delivery systems.

Economic Security

All community members are economically secure in order to thrive.

Mental Health and Wellness

Social and emotional health and well-being and access to high-quality behavioral health care services when needed.

Community Health Highlights

We are committed to using our resources, reach, and partnerships with other organizations to help build healthier and more equitable communities.

Kaiser Permanente awarded grant funding to Contra Costa Health Services to train 10 to 12 Latinx and Black youth and young adult ambassadors to conduct outreach and make referrals to County Federally Qualified Health Center clinics for COVID-19 testing.

In response to a listening session with Meals on Wheels Diablo Region, Kaiser Permanente reviewed the agency's privacy policy and conducted health care privacy information training with its staff.

Kaiser Permanente awarded grant funding to Antioch Unified School District's mental health initiative to strengthen its data-driven system of care for mental health among students, teachers, and staff.
