

Serving communities around our Vacaville and Vallejo medical facilities.

## Community Health Priorities

### Access to Care and Coverage

High quality, culturally and linguistically appropriate health services in coordinated delivery systems.

### Community and Family Safety

Safe environments and support for individuals who are victims or at-risk of violence.

### Economic Security

All community members are economically secure in order to thrive.

### Mental Health and Wellness

Social and emotional health and well-being and access to high-quality behavioral health care services when needed.

## Community Health Highlights

We are committed to using our resources, reach, and partnerships with other organizations to help build healthier and more equitable communities.

In partnership with The Permanente Medical Group, Kaiser Permanente leaders facilitated 10 COVID-19 educational sessions including the interactive online House Calls program, listening sessions, and COVID-19 virtual resource fairs targeting Black and Latinx communities.

Together with Touro University California, Kaiser Permanente launched the Partnership for Achievement of Total Health in Students (PATHS) mentoring program at Vallejo High School.

Kaiser Permanente partnered with Ombudsman Services of Contra Costa, Solano, and Alameda as the lead health care sponsor for the Elder Justice Lunch and Learn series: Awareness, Prevention, and Innovation in the Age of COVID-19 that reached more than 2,274 individuals in 44 states.
